NOTE

Symbols of United Nations documents are composed of capital letters combined with figures. Mention of such a symbol indicates a reference to a United Nations document.

Documents of the Security Council (symbol S/ . . .) are normally published in quarterly *Supplements* of the *Official Records of the Security Council.* The date of the document indicates the supplement in which it appears or in which information about it is given.

The resolutions of the Security Council, numbered in accordance with a system adopted in 1964, are published in yearly volumes of *Resolutions and Decisions of the Security Council.* The new system, which has been applied retroactively to resolutions adopted before 1 January 1965, became fully operative on that date.
